

# LICHARZ NEWS

Dear friends and business partners,

**LICHARZ** is one of the largest manufacturers and suppliers of CAST NYLON, POM and PET, and we want to keep you updated on our latest news & developments. We stock nearly 800 tons of material, and we are known for our excellent service and flexibility in reacting to your needs.

**NEW!**

## CAST NYLON TUBES (PA6-G) NOW AVAILABLE EX STOCK!

Cast nylon tubes (PA6-G) in natural colour from OD Ø 50 mm up to OD of Ø 200 mm and in lengths of 1000 mm and 2000 mm are now available ex stock !

All dimensions of the attached list are on stock – take your pick !  
In case your requested size is not available ex stock, we will manufacture it on short notice - also for small quantities !

And even more: Take advantage and purchase high quality cast nylon 6 tubes for a price comparable to extruded nylon 6

We are looking forward to receiving your detailed inquiry! For any further questions and / or inquiries, don't hesitate to contact our export team directly :
